## Why join the SWCCBC?

- 1. For the kids-** The kids had been wearing 20 year old plus uniforms...we owe them better then that!
- 2. For the program-** Being one of the most under funded sports program in any school district, the cross country program needs our help to grow and prosper.
- 3. For yourself-** Nothing quite like the thrill of seeing your child cross the finish line.
- 4. For the Coaches-** It is hard to properly train the kids without some of the basic tools like timing equipment. Radios, Cones etc...
- 5. Remember-** Our kids do for a sport what other sports do for punishment!
